Talmage at the University of Michigan, Cornell University, and elsewhere. The Story first appeared in print as a lecture report in the Improvement Era, and was afterward issued as a booklet from the office of the Millennial Star, Liverpool. In 1910 it was issued in a revised form by the Bureau of Information at Salt Lake City, in which edition the lecture style of direct address was changed to the ordinary form of essay. The present or third American edition has been revised and amplified by the author. The Story has been published abroad and translated into Swedish, Modern Greek, and Russian. The second section of this publication, titled The Philosophy of Mormonism was first presented as a lecture delivered by Dr. Talmage before the Philosophical Society of Denver. It appeared later in the columns of the Improvement Era, and translations have been published in pamphlet form in the Danish and German languages. The present publication of these two productions is made in response to a steady demand.
