B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Diseases of the Heart, Jean Poirier, This book discusses various heart troubles in more than 10 chapters, providing adequate detail with their (not so common) homoeopathic management in treating them. A book on cardiovascular diseases and their homoeopathic treatment is a rare one. Homoeopathic practitioners rarely get an opportunity to treat heart diseases. Sometimes, a heart patient may seek homoeopathic treatment as a last resort. The medical book, medical columns in periodicals, all create alarm and panic and cardiologists admonish the patients from approaching a homoeopath or for that matter, any other school of medicine. Any amount of our reassurances to the patient, that homoeopathy is a therapeutic science which heals and does not harm in the least, is of no avail, because of the fear put into the mind by the cardiologist. However, if a homoeopath has the opportunity to treat cardiovascular he/she must be well-armed and Dr. Jean Poiriers book will be of great help in this.
