

## Balanced Literacy for English Language Learners, K-2

By L. Chen

Heinemann USA, United States, 2006. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book. If your classroom has English Language Learners (ELLs), and whose doesn't, you've probably wondered whether the literacy methods you've used successfully with English speakers can work for nonnative speakers. Yes, they do, and in *Balanced Literacy for English Language Learners, K-2*, you'll find out why they work and what adaptations you need to make to ensure that ELLs fully develop their reading and writing abilities. Linda Chen and Eugenia Mora-Flores examine how to lead ELLs toward independence through basic frameworks and techniques you know and may already teach with. Their integrated, comprehensive approach focuses on seven specific aspects of balanced instruction that help students learn, expand, and extend their literacy skills, including: interactive read-aloud emergent story book read-aloud shared reading reading workshop writing workshop guided reading word work Through transcripts, lesson ideas, and vivid classroom descriptions Chen and Mora-Flores show you how to plan for and adapt your literacy lessons to meet the needs of ELLs as well as what aspects of your existing curriculum may already support them. In addition, they make explicit and accessible the...
