In *A Fractured Understanding*, Little Keira Brett had a best friend. The trouble is that no-one but Keira could see or hear her. Everyone thought that Keira's imaginary friend would disappear once she started school, but she didn't. She didn't disappear when Keira started secondary school either or when she reached her teens. Her parents found very different ways to deal with it or not deal with it to be more precise. And then suddenly, just before Keira's 16th birthday, her friend did, at last, disappear. . . but she wasn't the only one. *A Fractured Understanding* is the debut novelette by Hache L. Jones. It is a tense, spooky, psychological drama that will have you reading with bated breath to the very last word. This item ships from La Vergne, TN. Paperback.
