

## Feckers: 50 People Who Fecked Up Ireland

Filesize: 1.46 MB

### **Reviews**

*Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.*

*(Audra Hodkiewicz)*

## FECKERS: 50 PEOPLE WHO FECKED UP IRELAND

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Feckers: 50 People Who Fecked Up Ireland, John Waters, Which 50 People turned Ireland into the fecked-up country she is today? Bono? Haughey? Louis Walsh? de Valera? It's time to name and shame the great, the good and the gobshites. Conventional wisdom has it that Ireland, after a violent and tragic history, had began to get things right. But when the ill wind of recession cruelly snatched that self-satisfied achievement away, it all seemed like exceedingly back luck. In his 50 brilliantly acerbic portraits Waters reveals a consistent pattern of self-delusion, myopia, inferiority complex, bravado, defeatism, cynicism, sentimentalism and conceit. He traces Ireland's story from the paranoid insularism and cultural myopia that followed national Independence, through the post-Sixties obsession with a faux 'self-confidence', to the final, salutary meltdown of the Celtic Tiger, and strangely lacking either Celts or tigers. Once among the oldest civilization in Europe, Ireland has ended up as a second-rate version of the England it tried to discard. It threw out not merely the bathwater and the baby, but also the bathtub, the sponge and the rubber duck.
