This item is printed on demand - Print on Demand Neuware - Essay from the year 2012 in the subject Business economics - Personnel and Organisation, printed single-sided, grade: none, -, course: Organization behaviour, language: English, abstract: According to Suzan M, heartfield, Employee satisfaction is a terminology used to describe whether employees are happy and contented and fulfilling their desires and needs at work. Many measures purport that employee satisfaction is a factor in employee motivation, employee goal achievement, and positive employee morale in the workplace. Whereas job satisfaction is generally positive the organization's success, it can also be a downer if mediocre employees stay because they are satisfied with your work environment. Several factors including; treating employees with respect, providing regular employee recognition, empowering employees, offering above industry-average benefits and compensation, providing employee perks and company activities, and positive management within a success framework of goals, measurements, and expectations all contribute to an employee's level of satisfaction. Employee satisfaction is looked at in areas such as: management, understanding of mission and vision, empowerment, teamwork, communication, and coworker interaction. Some of the signs of lack of employee satisfaction...
