If you like crossword puzzles, word searches, or Sudoku, you will love this brain teaser! Just as Billy packed his lyrics, album art, and movies with hidden clues, he (or his Encoder) enriched his memoirs with embedded messages. Among various other methods (some technical, some conceptual), The Memoirs of Billy Shears contains the world's longest acrostic, spanning 612 pages (from page 5 to 617). Practically everything in The Memoirs (and thus in Billy's Back! and in Beatles Enlightenment) is encoded—all for your pleasure of decoding it. Every other line is acrostical. To decode all of the hidden acrostical messages that run through 612 pages of the book, you will need to consult this booklet, which is the answer key. Everyone gets stuck on some parts. Everyone needs this answer booklet to check those parts where the code is too tough to break otherwise. These hidden messages add meaning to each chapter. Have fun cracking the code and sharing your discoveries with others! For further clarification, visit.
