It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Birlinn General. Paperback. Book Condition: new. BRAND NEW, Tales and Tradition of the Lews (New edition), Donald MacDonald, Emily MacDonald, After his retirement from a career in medicine, Donald Macdonald turned his acute and wide-ranging mind to the study of the history and traditions of his native Lewis. Despite suffering from severe osteoarthritis, he was extremely active in the social and cultural life of the island, and contributed numerous articles to the "Stornoway Gazette". However, much of his collection of tales, legends and history remained in private circulation until after his death in 1961, when his wife Emily arranged for the publication of this volume. With over sixty essays on people, places and tradition, it reveals the full range of the author's erudition, and is informed by his love and deep knowledge of his native island. To read through or simply to dip into this collection is a fascinating experience for anyone who loves Scotland and her islands.
