Life is almost perfect. . . that is until Shannon Taylor's world is tilted by two of the most important people in her life. A chance encounter leads her down a path that will force her to confront a past she has meticulously ignored for ten years. Meeting a woman who can turn Nicholas Lockhart's world upside down is not in the cards; that is until Shannon. But when her world crashes, she wonders if it's possible to crack Nick's icy heart. A web of lies and twisted truths soon leaves both bare and vulnerable. Silence no longer offers her protection or safety. Will remaining silent cost Shannon the real love she's finally found? Or will she stay silent no more? The dark parts of the story were heartbreaking and the twists and turns kept me guessing throughout the story! -- Summers Book Blog These two characters had such good chemistry; you could feel it oozing off the pages as you read. -- Wicked Reads Review Team
