Not illustrated. 1891 Excerpt: . . . of secondary education, then they are excellent as a basis for college work. From the tendency of our institutions we must believe that more and more win the high schools become feederB of the colleges. The interests of colleges and high schools will be greatly enhanced by the cloeest union, and one impjrtant result will bo an increase in the number who will seek higher education. There is one great advantage in postioning to as late a day as possible the necessity of decision regarding a college course. Whenever a boy decides to go to college ho should find himself on tho road thither. Already Michigan University and the University of California admit to a four year: general course without any foreign language, while Northwestern University admits students with only one foreign language, ancient or modern. The State universities, we think, can afford to meet the...
