Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Coloring is not just for kids. A Christmas Mandala Coloring Book is based on the poem T was a night before Christmas. Christmas is a time for family, festivities and fun but sometimes this leads to a lot of stress. (It does in my house!) One of the recently discovered way to distress is to color mandalas. I was inspired to create this book by the great Christmas poem A Visit from St. Nicholas. The book contains two versions of the same image, one with a verse from the poem and one without. That way you can color each image two different ways so if you don t like it the first way you have colored it, try doing it a different way. Please remember, this is not a school project and you wont receive a gold star. How you decide to color the image is the right way because there is NO wrong way to color it.
