

The Ultimate Box Set Guide

By Chris Roberts

Paperback. Book Condition: New. Not Signed; Previously, it was all about cinema. Yet the twenty-first century has increasingly seen fans and critics alike switching their preference to long-form TV, where the stories, characters and talent are now centred. As the pioneering HBO shows proved, you can go much deeper in (for example) a rich, rewarding 16-hour series than you can in a 90-minute blockbuster. The experience of watching an addictive, smartly-written, well-acted, top-level series is like immersing yourself in a great novel rather than dipping into a short story. The trend has been embraced by the big media companies: Virgin, Sky and Netflix offer thousands of hours of viewing, and Amazon recently launched its own streaming service - this is the preferred method of viewing for a generation. book.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
