MANAGEMENT OF CEREBRAL PALSY: A TRANSDISCIPLINARY APPROACH

Sage Publications, New Delhi, India, 2006. Paperback. Book Condition: New. First Edition. Children with a debilitating condition like cerebral palsy receive treatment from a variety of specialised therapists at once. This book documents and builds on the experiences of a team of special educators in south India, who have been experimenting with a new strategy for working with children with disabilities. In this approach, rehabilitation workers are trained in physiotherapy, occupational therapy, and speech and language therapy, thereby preparing them...

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
