Saddleback Educational Publishing, United States, 2012. Paperback. Book Condition: New. 193 x 124 mm. Language: English . Brand New Book. Themes: Hi-Lo, Family life, adventure, travel. These traditional reads are brimming with spirited characters and positive values--but with a little extra excitement and bite, so hold on to your hats! Written expressly for the middle grade struggling reader, the series does not contain strong language, edgy themes, or dysfunctional families. In fact, family is the main theme of these titles. And one particular Latino family is the focus with their uncanny knack for finding humor, hope, and colorful personalities--even in unusual circumstances. Written at the lowest reading levels, the 50-page story structure is straightforward and moves the reader through the text quickly and efficiently. The whole dam may collapse if the floodgates aren't opened. If that happened, the flood will be much worse. People will die.
