By Simon Smart

The Smart Method Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 290 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is very, very different to any other computer book you have ever read. The Smart Method provides an entirely new and better way to learn , C# and Visual Studio. Here are just five of the many ways in which this book is unique: This book will give you the vital first step towards a career in web development without confusing with unnecessary complexity. Users who wish to learn more complex techniques can progress to the Expert Skills book.This is the only book that is also available as a low-cost video (DVD). Each can be used as a stand-alone product, but together they provide an incredibly powerful learning experience.Instruction is logically structured into sessions and lessons. While this makes the book ideal for self-instruction, you can also use it to run your own, highly effective, adult training courses.Every lesson is presented on two facing sheets of A4 paper (the pages are much bigger than in any other book).Along with programming skills, this book teaches best practices that are often ignored by other books.You...
