

24 Days How Two Wall Street Journal Reporters Uncovered the Lies that Destroyed Faith in Corporate America

By Rebecca Smith

HarperBusiness. Paperback. Book Condition: New. Paperback. 432 pages. Dimensions: 7.9in. x 5.2in. x 1.1in. This is the story of Rebecca Smith and John R. Emshwiller, the two reporters who led the Wall Street Journals reporting on Enron and uncovered the unorthodox partnerships at the heart of the scandal through skill, luck, and relentless determination. It all started in August 2001 when Emshwiller was assigned to write a supposedly simple article on the unexpected resignation of Enron CEO Jeff Skilling. During his research, Emshwiller uncovered a buried reference to an off-balance-sheet partnership called LJM. Little did he know, this was the start of a fast and furious ride through the remarkable downfall of a once highly-prized company. Written in an intense, fast paced narrative style, 24 Days tells the gripping story of the colossal collapse of what would become the world's most notorious corporation. The reader follows along as Smith and Emshwiller continue to uncover new partnerships and self-dealing among the highest levels of Enron's management. As they publish articles detailing their findings in the Journal, Wall Street and individual investors have a crisis of confidence and start selling Enron stock at unprecedented levels of volume. In the end - 24 short days...
