Brand New Book ***** Print on Demand *****.Excerpt from Macmillan s Progressive French Reader: Containing, Historical Extract, Letters, Dialogues, Fables, Ballads, Nursery Songs, Etc An elementary notion of regular French Accidence is all that is required for construing the first stories contained in this Reader. The sooner, however, the pupil masters the irregular part of Accidence, the better, of course, he will be able to help himself and to dispense with the tedious process of continual reference to the Notes and Vocabulary. As far as p. 29, all the words and phrases will be found in the first Vocabulary (p. 95) in the order of the text; from p. 29, only the Notes referring to grammatical difficulties and to the subject-matter will be found in the order of subjects (pp. 131 - 154), whilst for all new words, and old words forgotten, the student is referred to the second (Alphabetical) Vocabulary (p. 155 to the end). There are a few constructions peculiar to French - as compared with English, and consequently rather puzzling for a beginner - which are of so frequent occurrence that he will do well, as they occur, to make himself master of them once for all.
