As a South African who left S.A. in the late 70's, I can attest to the authenticity of Mr. Fine's historical and social facts, as well as life as it existed there at that time. It is a beautiful, heartfelt and very complete love story of the "no-no" kind, written magnificently by Mark Fine." ILANA EDELSTEIN Author, "The Patron Way" I see Pulitzer Prize material here. This is fascinating history-with such insight that I've been thinking of the common ground Southerners from the US has shared with South Africans. In this case, a biracial couple's story is at the center of late 1970s apartheid South Africa. Whether it is the local 1976 Formula 1 race or the horrific conditions in the mines, the author's...
