Here s a sample of what you can learn from this exciting book: The world has many things that are infinite including vibrational reach. Vibrational reach simply refers to the extent to which you can perceive through your thoughts. Thus, the higher your vibrational reach is, the higher your frequency shall be and vice versa. Different thoughts generate different feelings. If you think of sadness, you may unknowingly become sad. Let us look at this with the previous example we had given. While you were buying the lottery ticket and left your thoughts to manifest the kind of life you would experience if you won, you were stretching...
