On one side, this new world seems eclipsed where depression, dissatisfaction and financial worries are ruling our lives. Jobs are vanishing and salaries are not increasing as fast as inflation. Society is drowning in debt and people are feeling trapped. On the other hand, millions of new opportunities are being created every day in this new world. These opportunities offer unlimited happiness, fulfillment and financial gains. They provide a real chance to succeed and a possibility to create multiple sources of income and get rid of your financial worries forever. But the big question is how to grab these new emerging opportunities and how to make the changes in your thought process to be able to overcome the challenges of an eclipsed world. This book will teach you just that. Money plays an important role in this new world, so creating several sources of income and growing your bank balance is not only a matter of choice anymore. But you will see that money is only a small part of complete and true freedom. I call it Absolute Liberation. This book will show you how to achieve that complete freedom in each and every aspect of life. Along with case studies, interviews and examples -Absolute Liberation will take you through the step-by-step process of what you need and more importantly what you do not need to succeed.
