Carroll. The events of its story are interwoven with a life time of Bible study, and an allegory concerning mankind's collective journey. Together, these three become a meditation concerning the Name of God, including a deeply literal commentary on the seven day account of creation. Creation's story is not trivial or superficial. Interpreted superficially, the account is very deep in unanswered questions - perplexities that demand deeper interpretation. A Mystery Acknowledged addresses every apparent discrepancy, to bring forth the Bible's first and perhaps most important message for our generation. Life is meaningful, and while the entire world is a vessel of sacred mystery -- the garden you keep for the LORD is your mind. Life's spiritual journey begins in infancy. In the pristine subjectivity of young childhood, God's Being is obvious, a directly experienced truth. With that knowledge, however, come questions, like, why would God devise the pain, frustration, tedium, and terror of life? A Mystery Acknowledged is about revisiting those questions. Does the terror of death actually enhance the pleasure and beauty of life's journey? Is it a device, a seemingly cruel device that nonetheless allows us the pleasure we find, and the fantastic beauty we see; partly because fear forces us to look, to think, to remember? Whose device? God's Being is self-evident; His Justice and Mercy are not. Jesus, therefore, assigns us two additional truths to reason from. He says to seek first the kingdom--that is, the absolute power and sovereignty--of God; and His righteousness. If God is both Almighty and infinite in mercy, then why is there...
