Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Brand New Book ***** Print on Demand *****.From the PREFACE: MANY experienced college teachers of Greek will agree in the opinion that the changes in preparatory school methods during the last decade or two have resulted in giving us freshmen whose knowledge of Greek syntax is vague and general rather than clear and precise. This may be traced to various causes. Grammar drill has been in part displaced by wider reading to meet the sight-reading tests in the college entrance examinations. It is idle for even the bright student to read the great Apology and hope to appreciate it as literature, unless he knows something definite of the normal use of moods and tenses. Else he may admire with enthusiasm what he takes to be the force and beauty of the Greek language, or the precision and flexibility of the author's style, but quite as likely as not he is applauding in the wrong place. A reaction, emphasizing once more the importance of grammar in the preparatory study of Greek, is, I believe, bound to come. The aim of this little book is to supply a means...
