He is quite right in his assertion of sanity as the essential in romance. Still, up to the present only the abnormal have found expression in life and literature. Rossetti s letters are dreadful, obviously forgeries by his brother. I was interested, however, to see how my granduncle s Melmoth, and my mother s Sidonia have been two of the books that fascinated his youth. As regards the conspiracy against him in later years, I believe it really existed, and that the funds for it came out of Hake s Bank. The conduct of a thrush in Cheyne Walk seems to be most suspicious, though William Rossetti says: I could discern nothing in the thrush s song at all out of the common. Stevenson s letters are most disappointing also--I see that romantic surroundings are the worst surroundings possible for a romantic writer. In Gower Street, Stevenson could have written a new *Trois Mousquetaires*. In Samoa he wrote letters to *The Times* about Germans. I see also the traces of a terrible strain to lead a natural life. To chop wood with any advantage to oneself, or profit to others, one should not be able to describe the process. In point of fact the natural life is. the unconscious life. Stevenson merely extended the sphere of the artificial by taking to digging. The whole dreary book has given me a lesson. If I spend my future life...
