He s done this from the beginning of time. And He uses His people to extend His power into the lives of those who need His touch. After a lifetime of interest in divine healing, Paul Zinter did something radical-but logical! He searched the entire Bible to discover what God says to those who share His desire to heal the sick. A Time to Heal encourages believers to become channels of the grace of God both to other believers and to those who have not yet accepted Christ. It s not only a survey of biblical teaching, it also includes testimonies of those who have been used by God in this vital ministry. A Time to Heal is suitable for personal and group study. It is also appropriate as a text for Bible colleges and other ministry training programs. It includes both Scripture and subject indexes. After pastoring in northern Minnesota, he attended Assemblies of God Theological Seminary in Springfield, Missouri, and graduated with an M. Div. He has written Sunday School curriculum and numerous devotions. He serves as an editor at a Christian publishing house.
