

A Review of Forty Years of Community Law: Legal Developments in the European Communities and the European Union

By Alison McDonnell

Kluwer Law International. Paperback. Book Condition: new. BRAND NEW, A Review of Forty Years of Community Law: Legal Developments in the European Communities and the European Union, Alison McDonnell, In this important book, eighteen of Europe's most respected jurists and legal scholars look at long-term developments in Community and Union law with a view to shedding light on the current situation and pointing out lessons for the future. They consider major Community law themes as they have developed over the past four decades in institutional and substantive contexts, as well as in such newer areas of development as external relations, economic and monetary union, and the Third Pillar. Starting from the absolute centrality of the Common Market to the European Community enterprise, the authors provide many reminders of how the current situation evolved. Their detailed root analyses of past experiences explore origins, patterns, and implications from the initial concept of market access, through laws relating to individual rights, to such complexities as the bottom-up emergence of constitutional principles. They show that, whether we will in fact soon see a European constitution or not, there is little doubt today that EC law is undergoing what may be best understood as a...
