PublicspeakingSkills.com. Paperback. Book Condition: New. Paperback. 199 pages. A contrarian approach to the art of public speaking that has nevertheless been used by the worlds greatest speakers going back to Cato. Regardless of how you perceive your abilities as a presenter, chances are you engage in the same counter-productive actions and beliefs as 95 of all public speakers today. Actions and beliefs you acquired long ago, and that have worked against you and your audiences ever since. But have you ever wondered how some speakers stand out from all the rest The truth is, great speakers are not born, theyre trained. Trained in a set of simple physical behaviors known in the speaking business as The Skills. Doug Jefferys firm, PublicSpeakingSkills. com, has been training professionals from all walks of life in The Skills for over 15 years, and is now making this career-changing knowledge available to you in this entertaining and engaging text format. The book is filled with links to videos of famous great speakers and original animations that bring the learning alive. In the back are appendices of transcripts of great speeches broken down, line by line, into the exact cadence of the speakers original delivery. No self-hypnosis, no fuzzy neuro-reprogramming, no reliance on positive thinking exercises that fail at the worst time. The unique training process that takes you from a speaking zero to a speaking hero is available to anyone who chooses to learn the technique and run with it. Early praise for Killer Presentation Skills: Im a tough critic especially when it comes to compet-itors but Killer Presentation Skills is right on the mark.
