Brand New Book ***** Print on Demand *****.Sustainable Me: Green Tips and Terms for the Environmentally Conscious. In March of 2008 merged a passion for the sustainable lifestyle and the former real estate web site re-opened as with seven pages to assist clients in greening both their homes and lifestyles. As a Realtor- Eco-Broker with value-added green pages on my web site my goal was to help clients make sustainable choices when purchasing or marketing a home. In recent months, my site has become and has a mission of helping visitors to make economically sound, energy saving, and environmentally sustainable choices in their lives. To use a natural analogy, first the hobby web site, the worm, then the expanded Yellow Pages type format (cocoon), and in the future you will see the (butterfly) emerge as a searchable, socially interactive site. The traffic on the site has dramatically increased from March 2008 to the present with over 1,500,000 hits in the past two years. In addition to increased traffic, there are now over 40 pages with thousands of links to green. Meanwhile, a new book, Sustainable...
