RETIMING THE EARTH

To get **Retiming the Earth** eBook, make sure you access the hyperlink below and download the document or gain access to other information which are have conjunction with RETIMING THE EARTH ebook.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book takes the new informagtion concerning timing and establishes a reasonable timebase for understanding our history. Previous reliance on the decay of nuclear materials has proven to be wrong. Dinosaur bones that aren t fossilized, nuclear material that changes its age by thousands of years overnight and the huge number of fossils supposed to be millions of years old has shown an issue. This book shows how the Ice core timing, Paleo-magnetic timing and Hawaiian Island Hotspot trail timing show consistency, and reliability in understanding the Age of the earth and historic events.
