

## Grace Grows

---

By Shelle Summers

Allen & Unwin. Paperback. Book Condition: new. BRAND NEW, Grace Grows, Shelle Summers, Like many young women, Grace Barnum's life is a precarious mix of sensible choices and uncomfortable compromise. She dutifully edits children's textbooks that she fears may be more harmful than helpful. She is engaged to a patent attorney with whom she has a reliable relationship. She's wary of her fascinating father, a renowned New York painter, and she prefers her mother slightly drunk. Always organised, always a planner, Grace carries her life around in a handbag - that is, until the responsibility-challenged Tyler Wilkie shows up, with his warm eyes and a smile that makes Grace drop things. Worst of all, he writes tender, loving, devastating songs - about her. Tyler reaches something in Grace, something she needs, but can't admit to. Something she wants, but won't succumb to. Falling in love with him would ruin everything. And yet.

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*

-- **Andres Bashirian**

*Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.*
