E-Booktime, LLC, United States, 2014. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.I shy away from using the word Poem, I prefer to use the word Rhyme. Though some of these pieces are certainly poems, there s little or no controversy, profundity, inimicalness, or resentment. Just a few political references. So much of today s poetry is over my head, not a difficult feat, but you won t find that in this book. Except for Alias the Rose you could read anything in this book in your Sunday school class. I didn t start writing until after I retired and my wife passed away. So being a dirty old m. I mean seasoned citizen, most of these rhymes are geared toward seniors and living in a retirement community. Any of the rhymes that have the term Villager or The Villages, refer to the retirement community where I live. Most of these pieces were conjured up while sitting in my driveway watching the world pass me by and working my way through a six-pack and a cigar. Something I heard or read stuck in my feeble mind and like an Oreo cookie I d get the top and the bottom and then fill in the middle. The stories, some are fiction and some are anecdotes from my childhood.
