Punch.

By Ray McManus

Hub City Press, United States, 2014. Paperback. Book Condition: New. 224 x 137 mm. Language: English . Brand New Book. McManus s third book, *Punch.*, is a call for the claw-hammer, a hymn to the steel toe, and a series of lonely missives from truck cabs and office cubicles. *Punch.* is a book about work, about the will that rises and the dust that falls. It is about being lost, hungry, and hopeless, creeping toward the pipelines in a 78 Buick Regal with Big Star on the radio. Sometimes angry, sometimes darkly funny, these lean and muscular poems explore the world of punching in and punching out, the punch-drunk and the sucker-punched. Whether the poems are tightened by the rhythm of a hard hand, or the lines sprawl across the page with swagger, there is real music here. Brute voices, contemplative and haunting, speak to us with unwavering self-conflict and salty confidence. In these poems, life is a struggle and the end is already written, but there s something deeply moving about the resilience and resistance of these voices.

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
