

The Challenges of Changing Career

By Deborah Siegel

Createspace Independent Pub, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. There are many reasons why people make a career change, and they seem to be doing a lot of it lately. In fact, Jeff Neil of the New York City career counselor said, "Based on my experience, I believe the typical person has six to seven careers, and the number is growing." While six or seven total career changes may seem excessive, keep in mind we have recently been through a severe recession where thousands of companies were downsizing or going out of business altogether. These greater number of career changes could be in direct response to the dictates of a poor job market, but thats not really what were going to be discussing. If youve been considering a career change because youre tired of the same oldsame old, read on my friend. Assuming youve already been tempted to make the change, what we want to help you with is examining all the challenges that may come with that decision. Well help you to overcome the challenges of your career change so that you are prepared to be highly successful in your...
